Adjustable Polyester Vertical Drum Sling.

- **Model: DP500**

Features:

- Securely and economically lifts steel, plastic and fibre drums from 12” to 24” Ø.
- Ideal for use with a forklift truck or with any lifting device fitted with a hook.
- Fitted with grade 8 metal lifting ring for easier use with lifting hook.
- Compact size of sling allows it to be stored in a truck until required.
- Reduces drum damage which occurs when using steel handlers.
- Steel ratchet tightens the reinforced polyester lifting belt around body of the barrel holding it securely in place.
- 4” wide double stitched carrying strap on the belt slips easily over the truck forks.
