Manual Vertical Drum Lifter / Dispenser.

- **Model: LM800**

Features:

- One person operation, saving time and reduces spilling waste.
- Simply attach or hang lifter on hook from an overhead hoist or crane, cinch saddle around drum and raise to desired height.
- Lift, transport and pour from open and closed head drum.
- Ideal for low lever pouring and dumping operations.
- Positive tilt lock on drum saddle to hold drum upright in transit.
- When released, the operator can manually tilt the drum to control pouring and the drum can be rotated 360° in either direction.
- Locks also hold drum in horizontal position.

		LM800
