

cromox®
THE NEW DIMENSION OF STAINLESS

Grade 60 Clevis Hook with safety latch, shot blasted finish
CGHF

cromox® products are manufactured by KETTEN WÄLDER in Germany using the highest quality of corrosion resistant raw materials. They select the highest and purest materials and manufacture all products on the most modern machinery.

The **cromox®** range of products use the highest levels of design, materials, and manufacturing processes to produce the best performing products for use in the harshest environments.

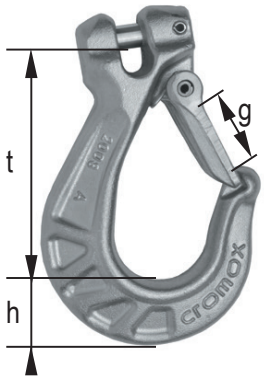

cromox® products are durable and with controlled levels of Chromium and Nickel it produces a passive layer of chromium oxide that increases the corrosion resistance.

Our stringent testing procedures ensure our products are manufactured to the highest quality. This makes us the market leaders in product development for stainless steel lifting products.

KETTEN WÄLDER are Lloyds Register approved manufacturers with LR certified proofing Laboratory and full members of LEEA.
