2. SAFETY

❑ **WARNING! Put the ear defenders on before exposing yourself to noise and wear them during the whole noise exposure. Be warned that failure to adhere to these recommendations will cause the protection afforded by the product to be severely impaired.**
✓ Ensure the ear defenders are fitted, adjusted and maintained in accordance with these instructions.
✓ Ensure the ear defenders are worn at all times in noisy surroundings.
✓ Ensure the ear defenders are regularly inspected for serviceability. If damaged, replace the product.
✓ This product may be adversely affected by certain chemical substances. Further information should be sought from the manufacturer.
✓ Ear-muffs and in particular the cushions, may deteriorate with use and should be examined at frequent intervals for cracking and leakage, for example.
✓ The fitting of hygiene covers to the cushions may affect the acoustic performance of the ear-muffs.
✓ Ear protection will be reduced if the defenders are not well fitted and not regularly checked.
✓ If the recommendations given in the instructions are not followed, protection provided by the ear defenders will be significantly reduced.
NOTE: These ear defenders are of universal size range. Ear defenders complying with EN 352-1 are of universal size range Universal ear-defenders include small, medium and large size and are thus designed to fit the majority of wearers including for those whom medium size does not fit.
