KNEE PADS

MODEL NO: **9706**

This document has been drawn up according to Regulation (EU) 2016/425 as amended to apply to GB for Personal Protective Equipment - Knee Pads.

INSTRUCTIONS

- ✓ When not in use, store the product in a well-ventilated area away from extremes of temperature.
- × Never place heavy items on the top of it.
- ✓ Fasten the straps tightly enough to ensure that the knee pads do not move.
- ✓ Using lukewarm water and a mild soap solution, wipe clean and leave to dry at room temperature.

Period of obsolescence of the PPE/ components (month/year), if applicable:	One year from date of purchase or replace when required
Risk against which the PPE is designed to protect:	For minimal risk only
