This Declaration of Evaluation emitted according to the document **"Máscaras destinadas à utilização no âmbito do COVID-19 – Especificações Técnicas"**, published by **DGS, INFARMED, ASAE e IPQ** at 14th of April 2020, based on the Test Report no 3445/2020, authorizes the company ICC – Indústrias e Comercio De Calcado, S.A. to use the Label "COVID-19 Exceptional Trade – Community Mask".

The test results confirm that the mask is in compliance with the technical requirements of breathability and bacterial filtration efficiency specified for community masks in the context of **COVID-19**:
Level 3 – Community Mask
Mask reference: Face Mask 9999.64
Size (adult/child): Adult
Washes: 25

The **COMMUNITY MASKS LEVEL 3** are intended to promote group protection, *i.e.*, the use by individuals in the context of their professional activities or in authorized travelling and activities, as for example in closed spaces with multiple people

Masks classed as Level 3 are not medical devices and therefore must not be used by heath care professionals. They do not meet the legislation for surgical masks (Regulation EU/2017/745) or personal protection equipment (Regulation EU/2016/425).
