UKCA Declaration of Conformity No. 9020 Rev. A

Moldex confirms that according to current UK legislation the European CE –mark is sufficient to place products on the UK market for the first time before 11pm on 31st December 2022. Products placed on the market prior to this date/time can continue to circulate until they reach the end-user.

After that date, Moldex declares that our European CE-marked products are UKCA compliant and products/packaging will bear the UKCA mark. This declaration is made until the 31st December 2027 or until the expiry of the Module B, CE certificate (whichever is sooner).

PSA: Respiratory protective devices - Gas filter(s) and combined filter(s); Article **9020** P2 R
