5. OPERATION

❑ **WARNING!** If you raise the vehicle to work under it, set the vehicle on jack stands.
× **DO NOT** work under a vehicle raised on a jack(s).
5.1. If the vehicle is on the ground, block the tyres, apply the handbrake and put it into gear or Park mode.
5.2. As you slide under the vehicle and prior to sliding out on the creeper, keep your head flat on the headrest.
5.3. If storing the creeper vertically, store near a wall and with the cushions facing the wall.

6. MAINTENANCE

6.1. Before each use, inspect the overall condition of the creeper for broken, cracked or bent parts that may effect the proper operation.
6.2. Periodically check tightness of fixings.

ENVIRONMENT PROTECTION
Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
