FORKLIFT ATTACHMENTS

90-240 Litre Wheelie Bin Handler

The 90-240 litre wheelie bin handler is a fork-mounted forklift attachment for two-wheeled bins. The bin hangs by its handle, and as the mast rises a pull cord drives a manual winch that tips the bin and opens the lid, so it empties without anyone lifting it.

- ✓ Suits 90 to 240 litre two-wheeled bins
- ✓ 360 kg safe working load
- ✓ Winch tips the bin as the mast rises

PART NO. WOS-FA-1020

KEY FEATURES

- Lid opens automatically
- Large T-screw fork retention
- Locating stand for quick fitting
