BULK BAG LIFTERS

Carriage Mounted Big Bag Handler

The carriage mounted big bag handler fits straight onto a class 2 or class 3 forklift carriage, with round tines that lift big bags by their loops. Carriage mounting keeps the lift height up, so it suits trucks dedicated to bag handling. Part of our bulk bag lifters range.

- ✓ Carriage mounted, class 2 or 3
- ✓ 1,000 kg capacity
- ✓ Round tines for bag loops

PART NO. WOS-FA-1096

KEY FEATURES

- Handle stops
- Increased lift height
- Safety yellow finish
