DRUM HANDLING

Drum Lifting Tongs - Fully Automatic

Fully automatic drum tongs pick up and release a 210 litre steel or plastic drum without anyone touching them. Lower them onto the drum and they grip under the top lip; lift, move and set the drum down, then lift again and they let go. On a forklift, the driver never leaves the cab.

- ✓ Fully automatic grip and release
- ✓ For 210 litre steel and plastic drums
- ✓ Grips under the top lip

PART NO. WOS-FA-1034

KEY FEATURES

- 500 kg or 1,000 kg capacity
- Crane or forklift use (yoke or hook required)
- Reaches drums in inaccessible places
- Lightweight mild steel construction
