DRUM HANDLING

Pedestrian Drum Lifter

The pedestrian drum lifter lets one person pick up and move a 210 litre steel drum without a forklift. It has a 300 kg capacity and an adjustable retaining hook that holds the drum securely while it is moved. Part of our drum handling range.

- ✓ 300 kg capacity
- ✓ 2-wheel or 4-wheel configurations
- ✓ Solid or pneumatic tyres

PART NO. WOS-FA-1064

KEY FEATURES

- Adjustable retaining hook
- Tubular steel, blue epoxy finish
- Red plastic grip handles
