FORK MOUNTED SKIPS

Telehandler Tipping Skip - Auto Locking

The auto-locking telehandler tipping skip is built for construction sites and heavy industry. The operator lifts it, tips it into the main skip and re-locks it without leaving the cab, which saves time on every run and keeps people away from the raised load.

- ✓ Automatic locking and unlocking from the cab
- ✓ Four sizes from 550 to 1,700 litres
- ✓ Heavy duty construction

PART NO. WOS-FA-1015

KEY FEATURES

- 4-way fork entry
- Standard pallet width fork pockets
- Suits telehandlers and forklifts
