SNOW PLOUGHS & GRITTING

Towable Salt Spreader - 190 Litre

The towable salt spreader turns a forklift into a gritting machine for car parks and access roads. Its 190 litre hopper spreads salt as it is towed, driven by its own axle, so it needs no hydraulic or electrical connection. Part of our snow ploughs and gritting range.

- ✓ 190 litre hopper
- ✓ Axle driven, no connections needed
- ✓ Tow ball or pin hitch

PART NO. WOS-FA-1172

KEY FEATURES

- Mesh guard over the spinner
