CX003 | 250 KG
MANUAL CHAIN HOIST

RED ROOSTER LIFTING

RAISING EXPECTATIONS

The CX003 is a 250 kg compact and lightweight manual chain hoist from KITO.

With a weight of 2.4 kg, a minimum height of 217 mm and a load capacity of 250 kg, the KITO CX003 manual chain hoist is one of the smallest and lightest manual chain hoists available. Followed by CX005 with a weight of 4.5 kg, minimum height of 260 mm and 500 kg load capacity.

The aluminium casing is finely worked and fitted with countersunk bolts. The manual chain hoist is fitted with overload protection as standard equipment. The mechanical braking system, the load chain guide and the nickel-plated load chain for longer service life are other special features. Further advantages are easy handling, durability and reliability.

STANDARD FEATURES

- Lifting capacity: 250 kg
- Small pocket-sized format
- Well-finished aluminium body fitted with countersunk bolts
- Only 2.4 kg net weight
- Compact construction: a minimal height of 217 mm
- Low hand-pull force for easy operation
- Overload limiter
- Wide hook opening
- Hook latch with safety tip
- Small chain pitch for precise lifting movements
- Abrasion-resistant nickel-plated load chain for high and uniform strength (1000 N/mm2), in accordance with standard DIN EN 818-7
