

SW-KAL
Compact aluminium rope winch with free-wheeling device

Capacity 750 - 1120 kg

Console-mounted rope winches are used for super-structures on vehicles and trailers and when lifting and lowering loads.

Features

- Self-locking worm gear, free-wheeling device for ease of operation.
- Enclosed gear for the protection of internal parts, also for arduous applications.
- Low-friction shaft bearings for a longer service life of the winch.
- Easy and quick mounting.

INFO

Pfaff winches are not designed for passenger elevation applications and must not be used for this purpose.
